Natural Certification

Article Number: F00613

Product Name: Jack's Passion

The above product is certified Natural as defined in section 101.22 (a)(3) of Title 21 of the United States (US) Code of Federal Regulations (CFR). This means that the above product is 100% natural and does not contain artificial ingredients. This is a legally binding definition of Natural in the US.

Entour is the original manufacturer of all our finished products. However, we also purchase raw materials from various vendors. We rely on Natural certificates, such as this one per Section 21 CFR 101.22 (i)(4), from our vendors to certify that our ingredients are 100% natural.

Sincerely,

The Entour Regulatory Affairs Team
